**Plan benefits vary; competitor plans may include additional streaming services and international data. Verizon provides a special rate plan in Florida only.** Limited time offer; subject to change. Postpaid only. Max 2 voice lines. Participating retail locations (and for existing customers, Care) only. Credit approval, deposit, \$10 SIM card, and, in stores & on customer service calls, \$20 assisted or upgrade support charge may be required. Monthly Regulatory Programs (RPF) & Telco Recovery Fee (TRF) totaling \$3.18 per voice line (\$0.60 for RPF & \$2.58 for TRF) applies; taxes/fees approx. 10-33% of bill. Capable device required for some features. Not combinable with certain offers. Switching plans may cause you to lose current plan/feature benefits; ask a rep for details. Plan not available for hotspots and some other data-first devices. **Unlimited talk & text** features for direct communications between 2 people; others (e.g., conference & chat lines, etc.) may cost extra. Some messages, including those over 1MB, use data and may be unavailable internationally. **Roaming:** U.S. roaming and on-network data allotments differ; includes 200MB roaming. High-speed data is US only; in Canada/Mexico, unlimited at up to 128kbps; additional purchase required for data elsewhere. Calls from Simple Global countries, including over Wi-Fi, are \$.25/min. (no charge for Wi-Fi calls to US, Mexico and Canada). Usage may be taxed in some countries. Service may be terminated or restricted for excessive roaming. **Not for extended international use; you must reside in the U.S. and primary usage must occur on our U.S. network.** Device must register on our U.S. network before international use. **Video streams** at up to 1.5Mbps. Optimization may affect speed of video downloads; does not apply to video uploads. For best performance, leave any video streaming applications at their default automatic resolution setting. **Tethering** at max 3G speeds. For the small fraction of customers using >50GB/mo., primary data usage must be on smartphone or tablet. Smartphone/tablet usage is prioritized over Mobile Hotspot (tethering) usage, which may result in higher speeds for data used on smartphones and tablets. **AutoPay Pricing:** Without AutoPay, \$5 more/line. May not be reflected on 1st bill. **Coverage** not available in some areas. **Network Management:** Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. On-device usage is prioritized over tethering usage, which may result in higher speeds for data used on device.
